

Finwell.Health

Bring Medicare clarity to your community

The Finwell.Health partnership roadmap

1

Connect

Tell us about your church or community organization and the questions your members have.

2

Share helpful resources

Give members plain-language guides, visual explanations, and your partner referral link.

3

Let members choose

Members decide whether to request a conversation with a licensed agent.

4

Support the next step

We help members understand options and, if they choose, navigate enrollment.

You make the introduction. We provide the guidance.

No fee for our guidance. No obligation for members to enroll.

Insurance premiums and other plan costs still apply.

Agent availability and plan options vary by state and service area.
